## Headteacher Comment

Congratulations to all our Y6 pupils for completing their SATs tests this week. All the children put in 100% effort and worked hard to do the best they could. They were a credit to the school and their families. We hope they get the results they deserve after all their hard work this year. They have shown amazing commitment and resilience by attending extra booster lessons after school and keeping up to date with homework and revision. They have certainly done themselves proud! Well done Year 6, we look forward to celebrating the results with you when they are released in July. We will notify parents of their child's results once we have received the information.  
Many Thanks

## CONGRATULATIONS!

Last week **Year 6** scattered their wild flower seed bombs around the school environment in hope that they will bloom brilliantly. They were made by the children as part of our awareness of World Earth Day. Any spares were offered to parents after school to scatter in their gardens.

Holly in Y5 won her league cup final in the highest division.

It was a 6-0 win and Holly scored two amazing goals!

She has scored 41 goals this season and is the top goal scorer.

Well done Holly!

**Year 3** pupils were dissecting flowering plants this week to identify the male and female reproductive parts. They were amazed to discover that insects visit flowers to retrieve nectar, not pollen. They loved examining the different parts and were able to tell the difference between the male and female parts by the end of the lesson.

Congratulations! More success to celebrate for our pupils. Liam and Bobby were winners in the Under 9's Championship South Sunday Manchester Cup 2023/24. They won their final 5-0! In addition, Ali and Jonathan won the Under 9's Division 2 North Sunday League Cup. They also smashed their final and won 5-1! Well done to the boys and their teams. What an amazing achievement and a reflection of all their hard work.

## WELL DONE TO THIS
