Library books will be sent home on **Fridays** for you and your child to read and enjoy together..

Homework will be given out on a **Friday** and is to be returned on **Monday** so your child can use it during our news sharing sessions on Monday.

Homework consists of your child drawing a picture of what they have done over the weekend and you writing a sentence describing what they have done.

Please support your child in completing their homework each week and bringing it in on time .

Reminder: Please can all parents ensure they are saying goodbye to their children outside and allowing their child to enter the classroom independently or with the support of a member of the nursery team. This will support your child with their transition to reception and develop their independent organisational skills.
