## Headteacher Comment

Welcome back! We hope you all had a lovely half term break and enjoyed time with your families.

This week was the start of Pride month. As part of our PSHE curriculum we talked to children about caring, happy relationships and about being respectful and kind to all individuals. Y6 started their Bikeability lessons, learning about the rules of the road and how to ride safely when they are out in the community. This is a fantastic life skill and will hopefully help to keep all Y6 children safe when they are out cycling.

Y4 children are now starting their Multiplication Tables Checks. This is a statutory test that has to be completed within the first 2 weeks of this term. The data from this is gathered by the DFE and compared nationally. Y1 children will be starting their phonics screening checks next week. These are also statutory tests that are completed nationally. Please make sure you inform school of any absences so that your child does not miss any of these crucial assessments.

Many Thanks

On Wednesday Mr Marsh, a cyber-crime expert came in to speak to Yr5 and Yr6 pupils about Cyber safety and explained how everything we put online stays there forever, even if we delete it!

He also taught us, how everything we do on our phones and devices is always traceable. He shared how he had helped solve cyber-crime cases in his job by accessing data that criminals had believed couldn't be accessed! It was fascinating and we learnt a lot. Thank you!

**IMPORTANT**

**ATTENDANCE AWARD R-Y6**
