Headteacher Comment

Congratulations to all the children that attended the annual Dean Trust Active Challenge. This fun run is organised by the trust and all The Dean Trust schools participate in this exciting event. It's a fantastic way to celebrate all our schools together and this is the 6th year of the event. The fun run takes place in the beautiful surroundings of Knowsley Hall. Our children had an extra breakfast in preparation for the event and completed a 2k run with the other children and staff from the trust primary schools. Well done to everyone involved!

Well Done From Miss Edwards

Congratulations to Jakson who achieved the trophy for most improved player for Flixton Juniors FC.

This award was chosen by the team coach and reflects the excellent season he's had. Well done, Jakson!

Congratulations to Madison for her Players' Player of the Year award. Madison was voted for by her Flixton Fireflies team mates after a very successful season. We always love to hear about the achievements of our pupils and their commitment to hobbies outside school. She also received a season trophy and team medal. Well done, Madison!

Congratulations to Liam and his team for becoming the Champions League Winners. Another trophy to add to their growing collection after an incredible season. Well done to all those involved!

Year 2 visited Norton Priory for our Summer trip. The children took part in activities linked to their Science Topic: Living things and their Habitats. They took part in two activities over the course of the day, pond dipping to see the habitat of creatures that live in ponds and a minibeast workshop where the children took part in activities: worm charming, net sweeping and mulch sorting. They had a fantastic time!

Congratulations to Holly (2nd) & Samantha (1st) from Y5. Samantha also won the race last year-record breaker! Big well done to all the children who completed the 2K run, their behaviour was exceptional, they did us really proud! Special thanks to the Dean Trust for organising the event. A great day was had by all.

At the end of this academic year we say a fond farewell to Mr Fox and Miss Smith. We would like to congratulate Mr Fox on his promotion and wish him every success in his new post. He has worked relentlessly for our children during his time with us and he will be greatly missed. Miss Smith has been with us for a short period but we would like to thank her for her hard work during her time with us. We wish both members of staff the very best for the future when they leave us at the end of term.

Some of our children took part in a wheelchair basketball inclusion festival last week. The children thoroughly enjoyed themselves and learnt about a new sport they had never tried before. The children said it took a lot of strength, determination and coordination - the professional athletes make it look easy! Thank you to Emma from Manchester United for organising!
