In English we are writing to inform. We will be writing to inform through a newspaper report. We will be using a book called Mr Penguin and the Lost Treasure in order to develop our reporting skills within writing.

In Maths we will be continuing our learning on time, progressing from the reading of the analogue clock to digital and calculating time durations. Please try to continue practising time at home as much as possible at home also as it is an essential life skill!

In History, we will be continuing learning about the Anglo-Saxons and soon be ready to see in the arrival of the Scots.

In Geography we will be continuing learning about local Geography. We will be comparing Partington to others in the North West and look at how Partington has changed over time and helped in the development of Manchester.
