Summer 2

June 2024

Welcome back to Year 1!

We can't believe we are now in our final half term of year 1. The children have had a fantastic year and it has been wonderful to see them make so much progress. We are looking forward to our last half term together and helping to get the children ready for year 2.

In English we will be working on extending our sentences to write longer pieces. We will be reading Mrs Mole I'm Home and Alan's Big Scary Teeth. We will be writing descriptions of the settings and characters.

The children will be completing their phonics screening check, week commencing the 10th June, so please continue to use the QR codes sent home.

In maths we will be working on place value of numbers to 100 and will also learn about money and time.

In science we will start our seasonal change topic and we will continue to look at how our school grounds change over the seasons.

In DT will be starting our unit on food by designing, making and evaluating our own smoothies.
