

Year 4 Newsletter

Summer 2

June 2024

Hello and welcome back to Year 4!

In our classroom this year the teachers are Mrs Wilde and Mr Fox, supported by Mrs McRae and Miss Fedawi.

The school doors open at 8:35 am, with the children ready for a 8:45am start.
Lots of exciting things happening this term!

In the next few weeks, we will be completing the MTC (multiplication tables check) so please keep plugging away at the trickier facts and make sure you can answer questions in under 6 seconds!

In History, we will continue delving into the Mayan way of life and all it's rituals.

In Geography, we will be looking at increasing our knowledge of Mexico, and famous physical and human features.

In DT we will be looking at food technology and are planning to make biscuits with our own adaptations to enhance flavour and enjoyment.

In English we are focussed on the beautiful story of the last bear. We will be writing newspaper articles linked to this.

Our focus in our other maths lessons will be on time, statistics and shape and space., learning about tables, charts and angles and the 24 hour clock.

In Science we will be looking at the sorting and classification of animals. Just what is a food chain? Is it a predator or prey?

Things to remember

Homework:

Given out: Monday

Handed in: Friday

PE kit: - burgundy shorts, white t shirt and black pumps.

PE: Thursday and Friday

Spelling Test - Friday

Reading books -

Please bring books in EVERYDAY!
