Headteacher Comment

This week we welcomed our new starters and parents to their nursery and reception welcome meetings. Essential information was shared to prepare families for their Sept start and parents met with key EYFS staff. Families were given important information so that they know what to expect and to help them prepare for a smooth transition in the new academic year. If you have any further questions please contact the school office. Year 1 children started their phonics screening checks. This is a statutory assessment to check if children have reached the expected standard. Any children who are not quite at the correct level will receive interventions to help them catch up and they will continue to have phonics lessons to embed their knowledge and develop early reading skills. Children in Y4 have started their Multiplication Tables Checks. This is a national check that assesses the accuracy and speed with which pupils can recall their times tables. Well done to all the children who have taken part in the MTC and phonics screening checks and applying themselves so well and trying their best. Well done!

IMPORTANT

Summer attendance giveaway!

Each week, all children from Reception to Year 6 with 100% attendance will be entered into the prize draw and will win a £20 voucher.

THIS WEEK'S WINNER IS:

POPPY MORRELL 5SI
CONGRATULATIONS!

Congratulations to Macie on her amazing dance achievements. Macie became troupe leader for her Morris dancing team at the end of last year. She was then awarded a 'Best Leader' medal for her hard work and exemplary leadership. Last weekend she attended a dance competition in Blackpool and was awarded two medals for dance routines in different categories. Well done, Macie! This is an incredible achievement that recognises your hard work and dedication to dance.

Attendance Week Ending 14.06.2024

| | |
|-----------------------------|-------|
| R | 91.5% |
| Year 1 | 96.2% |
| Year 2 | 96.2% |
| Year 3 | 92.3% |
| Year 4 | 94.5% |
| Year 5 | 93.3% |
| Year 6 | 93.1% |
| Whole School (weekly) | 94.0% |
| Whole School (Sept to date) | 93.7% |

Year 6 have been learning about the digestive system in science this week.

They worked in teams to create plasticine models of the digestive system and then labelled the organs and their functions.

They worked incredibly well together to create these scientific master pieces.

WELL DONE TO THIS WEEKS CLASS ATTENDANCE WINNERS

KS2 – 3LP, 4AF & 6SJ

KS1 – 1RW & 2NM

EYFS – NAM & REC

IMPORTANT

ATTENDANCE AWARD R-Y6

All children with 100% attendance for the academic year will have a special treat at the end of term. Please keep an eye out on the upcoming newsletters for clues!

Year 5 visited Ordsall Hall last term to immerse themselves fully into the Tudor way of life. They got to learn about the previous owners of the great hall the 'Radclyffe' family. The children enjoyed dressing up and understanding the foods the Lords, Lady's, Merchants and farmers would enjoy as part of a feast. They also learned about the armour that would have been worn, bathing and cooking.

The children made their own posy regularly made and worn by the Tudors - to ward off bad spirits, smell nice and avoid diseases. They also followed a recipe to mix spices that would be used to flavour food.

Meet and Greet – Thank you to all the parents and families who joined us this morning at the school gates for a coffee and a chat. It was lovely to hear your feedback and questions. A great way to start the day!
Miss Edwards

Reminder: Please apply for your Nursery and Reception September 2024 places if you have not already done so. **Application forms are available from the school office.**
